

JULY 2018

Donation Amount: PHP 115,000

For the month of July our donation to the Children of Cebu Foundation is being used to purchase school supplies for 250 children, who receive schooling through their Street Education Program. This is at the cost of PHP 200 per child and totals PHP 50,000 of the allocation.

It is also being used to feed 30 children 3 meals a day throughout August. These children are housed at the Parian Drop in Centre and this totals PHP 54,000 of the allocation.

The remainder of the money has been spent on medicine (PHP 5,000) and lighting and power (PHP 6,000).
